*Starting January 1, 2020, Medigap plans will not be allowed to cover the Part B deductible for new Medicare beneficiaries. This means Plans C and F will no longer be available to new Medicare beneficiaries starting on January 1, 2020. If you already have either of these two plans (or the high deductible version of Plan F) or are covered by one of these plans before January 1, 2020, you will be able to keep your plan. If you were eligible for Medicare before January 1, 2020, but not yet enrolled, you may be able to buy one of these plans.
